Package pollution cover for UK liability and package programmes

In the UK, businesses of all sizes and from all sectors are facing increasing environmental liabilities. Until now, broad pollution cover was seen as complex and expensive, thus beyond the reach of most companies.

ACE's Package Pollution Liability cover is designed to respond specifically to these increased liabilities and their associated legislative drivers. The product offers a broad range of flexible protection for first and third-party environmental liabilities and is more affordable and accessible than ever before.

Key Benefits:

- ▶ Cover for sudden and accidental and gradual pollution.
- ▶ Cover for on-site and off-site first party clean-up.
- ▶ Automatic cover for biodiversity (natural resource) damage.
- ▶ Damage to third-party property including diminution in value.
- ▶ Proactive claims support to minimise losses and their financial and reputational impacts on the business.

Cover Summary

Available cover includes:

- ▶ Costs incurred by the insured where a clean-up is imposed by regulators or required by third parties.
- ▶ Liability for third-party bodily injury, property damage and clean-up costs.
- ▶ Costs and expenses included for all claims within the policy limits.

Programme Parameters:

- ▶ For UK & Ireland domestic business, terms automatically include:
 - ▲ Limits to £5m per policy.
 - ▲ Excess as low as £2,500.
 - ▲ Minimum premium of £750.
