

# ACE Offshore

*for companies in the oil and gas industry*

**“It shall be the duty of every employer to ensure, so far as reasonably practicable, the health, safety and welfare at work of all his employees”** *Section 2 The Health and Safety at Work etc Act 1974*

Insuring your employers, public and products liability with ACE brings with it added benefits:

- Bespoke policy wording for the offshore industry
- Wide offshore contractual liability extension minimising the need to refer “hold harmless” agreements to us
- A clear and precise definition of “offshore”
- “Residual” employer’s liability giving contingency cover for overseas nationals employed, including any offshore work
- Employees based overseas with a UK contract automatically covered for employer’s liability
- Up to £10 million primary or excess capacity available for employer’s liability offshore
- We can cover both manual and non-manual occupations
- Personal liability overseas
- Vendors indemnity
- Onshore environmental liability cover
- Ability to cover products exported worldwide
- Recall expense
- Legal defence costs for the defence of criminal proceedings related to:
  - ▶ Health & Safety at Work etc Act 1974 or Health & Safety at Work (Northern Ireland) Order 1978
  - ▶ Corporate Manslaughter & Corporate Homicide Act 2007

Additional insurance can be arranged for:

- Property and Business Interruption
- Marine cargo
- Breakdown & Engineering covers
- Environmental Impairment Liability
- Personal accident and business travel
- Directors and officers liability
- Pension trustee liability
- Employment practice liability
- Computers and data protection

With the ability to underwrite occupations ranging from the manufacture and distribution of downhole equipment and generators to trades and services including testing and certification, you will find ACE Offshore highly flexible and adaptable.
